jednostavno format C install win 7 i nemas problema covece

format? C?

Hmmm.

[nightgoblin@debian:~\\$](#) format C

bash: format: command not found

[nightgoblin@debian:~\\$](#) Bravo kolega! A evo i dodatak:

[\[davor@localhost ~\]\\$](#) install win 7

install: cannot stat `win': No such file or directory

[\[davor@localhost ~\]\\$](#)
